In 2010, Laura has launched LifeThirst Ministries - of which the P2 (Power of 2) Tour and Conferences and Lift Up University are under the umbrella of. The mission of the P2 Tour is unity, concerts, worship, evangelism, teaching and prayer. Laura serves as an artist, worship leader and speaker along with other national and local artists and speakers. Lift Up University, or "Lift Up U" is Laura's girls and women's conferences. The central message is about who we really are in Christ, that God is the "Lifter" of your head, and that we are loved, beautiful and complete in His eyes. Laura will be used as an artist/worship leader/speaker and author to minister to the brokenness that many young girls and woman feel that only God's love will heal.

The vision for LifeThirst Ministries is for the transformation of 'all the world' into passionate worshippers and true disciples of Christ. Members of the LifeThirst Team have founded "Save the Kids Foundation" to raise money for these events and other worthy causes.
